

+ First day without training wheels.

+ Does she have to grow up?

+ Seems like just yesterday she learned to walk.

+ Everything else can wait.

# EDUCATION + YOUR LIFE

Regardless of your current situation, it's possible to fit an advanced education into your "take off the training wheels and let her go" lifestyle.

Colorado State University OnlinePlus makes the equation work with reputable programs backed by a land grant university that employers respect – all offered in the flexible, online format that your lifestyle and schedule requires.
